# 2011 IN SIGHT

**AFTER THE CELEBRATION OF 2009 EDITION**, where **SINAVAL** reaffirmed its position as the international leading event for the shipbuilding, maritime, port and fishing sectors, we sight the next edition to be held from 12 to 14 April 2011.

## PROFESSIONALS FROM ALL OVER THE WORLD

During its four-day duration, **SINAVAL 2009** attracted **MORE THAN 5,700 VISITORS** from 36 different countries all around the world to Bilbao Exhibition Centre. This worldwide renowned exhibition involved professionals from multiple origins with major representation of United Kingdom, Norway, France, The Netherlands, Italy, Portugal, Belgium, Ireland and the United States.

## EXPERTISE SHARING

**SINAVAL 2011** will become again an attractive **meeting point** for professionals of the shipbuilding, maritime, port and fishing sectors offering many opportunities for the analysis and debate of current and significant relevant issues and a unique atmosphere for the **exchange of experiences**.

Just like other editions, in 2009 the sectors of major interest for the visitors included vessel outfitting, shipyards, vessel engineering and design, ship repair, construction and the ancillary industry.

Moreover, the **side events in SINAVAL 2009** played a relevant role for their increased number and higher standard than those in previous editions. In fact, the 25 events staged over the four days of the fair were attended by more than **950 trade specialists**.

# SIDE EVENTS

Among the different activities dealt with in the 2009 edition, the following ones stood out for the topics addressed, significance, standard of the speakers and number of attendees:

- **"OFFSHORE SUPPORT VESSELS, MORE COMPLEX AND EFFICIENT EVERYDAY" INTERNATIONAL CONFERENCE:** it revealed that the Spanish shipyards hold the highest order book in Europe within this particular market share. First level international speakers, comprising shipowners, shipyards, classification companies, designers and professionals from the ancillary industry, dealt with new market trends and requirements that both shipyards and the ancillary industry should meet.
- **CIRM (International Association for Marine Electronics Companies) ANNUAL CONFERENCE AND GOVERNING BOARD MEETING:** the world's most prestigious event in the field of naval electronics, which was opened by Mr. Esteban Pachá, General Manager of IMSO (International Mobile Satellite Organisation). This conference made clear that progress is being made towards more and more automatic electronic navigation.
- **CELEBRATION OF THE CENTENARY OF "LA NAVAL" SHIPYARD IN SESTAO, OWNED BY THE CNN GROUP:** apart from giving a talk attended by over 120 people on the history of the shipyard, the yard's manager, Mr. Iñaki Irasuegui, announced that La Naval made a profit by the end of 2009 with invoicing close to 200 million €. Furthermore, resulting from the negotiations for around half a dozen contracts the workload for the yard until 2011 was guaranteed.
- **PRESENTATION OF "THE HISTORIC MEMORY OF OUR FISHERMEN"**
- **"FUTURE PORT" INTERNATIONAL MEETING OF THE PORT INDUSTRY:** another high-profile event of international scope in the exhibition with the participation of representatives from European, national and autonomous institutions together with ports, shipping companies, universities and engineering firms and supported by the Bilbao Port Authority, Uniport, Basque Government and AZTI-Tecnalia, amongst others. The most relevant topics in the programme were "More productive port logistics" and "Towards more sustainable ports".
- **GENERAL ASSEMBLY OF THE SPANISH MARITIME CLUSTER:** it included a proposal for measures to mitigate the effects of the recession on the maritime sector.
- **GENERAL ASSEMBLY AND GOVERNING BOARD MEETING OF FEICOPESCA (SPANISH FEDERATION OF ASSOCIATIONS OF PROCESSORS AND RETAILERS OF FISH PRODUCTS AND FISH FARMERS)**

- **CEPESCA (SPANISH FISHERIES CONFEDERATION) GOVERNING BOARD MEETING AND CONFERENCE:** “New needs for minimum qualifications, training and crews”.
- **MEETING BETWEEN REPRESENTATIVES OF THE SPANISH AND FRENCH FLEETS:** a significant meeting of the focus group dealing with the long term planning for anchovies within the Advisory Committee on Fisheries and Aquaculture (CCR-SUR).
- **BASQUE MARITIME FORUM:** presentation of the “Intelligent fishing vessel” and its “panelled hold”, aiming at speeding up the classification of catches on board, so that fish can be auctioned from the vessel itself, the optimisation of space and controlled fish monitoring from its capture to the counter in the fish market. In addition, the presentation of the internationalisation activities of the Forum and conference on “Pleasure boats unrigging and recycling process development”.
- **CONFERENCE “ENERGY EFFICIENCY IN FISHING VESSELS”:** organised by AZTI-Tecnalia with the collaboration of the Basque Government and the Philippe Cousteau Foundation.
- **4TH INTERNATIONAL MARINE ENCOUNTERS:** brokerage event organised by the Basque Maritime Forum and the Provincial Council of Vizcaya that enabled meetings between trade visitors and exhibitors intended to promote joint actions, international co-operation and technology transfer.
- **PRESENTATION OF THE INTERREG PROJECT:** developed by the Advisory Committee on Fisheries and Aquaculture (CCR-SUR) and involving the Fisheries Sector, Technological Institutes and Regional and Supra-regional Administration.
- **MEETING OF THE EUROPEAN FISHERIES TECHNOLOGY PLATFORM**
- **PRESENTATION OF THE ENTERPRISE EUROPE NETWORK**
- **MEETING OF COAPROA (Shipyard Supply Coordinator)**
- **PRESENTATION OF THE THEMATIC PORTAL FOR LABOUR RISK PREVENTION IN FISHING ACTIVITIES**
